### **Management's Responsibilities for the Financial Results**

4. The statements has been prepared on the basis of the annual financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the statements that give a true and fair view of the net profit of the Company and Other Financial Information in accordance with the applicable accounting Standard prescribed under Section 133 of the Act read with relevant Rules issued there under and other Accounting Principles generally accepted in India and in compliance with the Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the Assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate Accounting Policies, making judgments and estimates that are reasonable and prudent and design implementation and maintenance of adequate Internal Financial Controls that were operating effectively for ensuring the accuracy and completeness of the Accounting Records relevant to the preparation and presentation of the Statement, that give a true and fair view and are free from material misstatement whether due to fraud or error.
5. In preparing the Statements, the Board of Directors are responsible for assessing the Company's ability to continue as a Going Concern, disclosing, as applicable, matters related to going concern and using the 'Going Concern' basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease the operations, or has no realistic alternative but to do so.
6. The Board of Directors are also responsible for overseeing the Company's Financial Reporting Process.

### **Auditor's Responsibilities for the Audit of the Financial Results**

7. Our Objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an Audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Annual Financial Statements.
8. As part of an Audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the Audit. We also:
  - Identify and assess the risks of material misstatement of the Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain Audit Evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of the internal control process relevant to the audit in order to design Audit Procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating the effectiveness of such Controls.

- Evaluate the appropriateness of Accounting Policies used and the reasonableness of Accounting Estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the 'Going Concern' basis of accounting and, based on the Audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a Going Concern. If we conclude that a material uncertainty exists, we are required to draw attention in Our Auditor's Report to the related disclosures in the Financial Results or, if such disclosures are inadequate, to modify our Opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Company to cease to continue as a Going Concern.
- Evaluate the overall presentation, structure, and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financials information of the Company to express an opinion on the Statement.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in the Internal Controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
